#### **Review from Paolo & Laurentina**

"Last July we had the pleasure of joining the City Rhythm Orchestra on their Summer Concert TOUR. We had such an amazing time that we are returning again. The 2015 ITALY Tour includes stellar accommodations for the group, many superb dinners at 4 & 5 Star Ristoranti Italiani, A Luxurious Tour Bus that transports the group in style throughout the Italian countryside. Their tour guide is a delightful Italian with a knack for history. The Band features concerts and you get to be in the audience for all of them. And YES, we will provide some dancing entertainment joining the band on stage during select concerts." Visit **PaoloSwings.com** for more photos from the tour.
